## Work Experience

### **Immaculate Conception Catholic Church**

113 N Geneva St., Ithaca, New York 14850

September 2019 - Present UX Web Developer (Pro Bono)

Responsibilities include planning, designing, and implementing the church's website based on the stated goals of the parish administration. Charged with consolidation of the site's navigation to maintain functionality for regular parishioners while promoting outreach to newcomers. Participated in weekly meetings to share and discuss proposed changes. The first stage of the site redesign went live in early January.

### **Cornell SC Johnson College of Business - Sage Hall**

106 East Ave., Ithaca, New York 14853

July 2019 - January 2020 IT Help Desk Assistant (Temporary)

Responsibilities include providing technical services, hardware and software setup, and troubleshooting for members of the Johnson College of Business. Met with faculty, staff, and students to resolve a wide range of Windows and Mac computer problems. Provided services through call-ins, walk-ins, and online tickets simultaneously and in a timely manner. Assisted in training part-time employees on technical and operational support processes, including computer imaging and printer setup.

### **Cornell Catholic Community - Anabel Taylor Hall**

548 College Ave., Ithaca, New York 14853

2016 - 2019 Administrative Intern

Responsibilities include handling mailing lists, monetary donations, and student information, as well as managing databases through administrative software. Assisted co-workers in solving technical problems as needed.

### **Cliff & Jane Maestro-Scherer**

10 Boiceville Rd., Brooktondale, New York 14817

June - August 2018 Gardener

### **Private Tutoring**

2012 - 2014 Math and Science Tutor

---
